

## Pre-owned popular Sheet Music.

### Pre. – 1950s

#### PLEASE NOTE THE FOLLOWING FOR CONDITION AND PRICES PER TITLE

Many of these songs were published during the First (1914-18) or Second World War (1939 –45) or earlier such as Edwardian or Victorian publications.

These pieces of sheet music are secondhand, old and naturally enough, they may show signs of wear and tear. However, most of them are in excellent condition but in a few cases we consider that some damage such as edging tears, shop stamp, pen marks or even in exceptional cases the use of tape to keep pages intact, are reasonable imperfections considering the age of these manuscripts. There are no detailed descriptions of the condition on the music listed below. Please e-mail us for an honest appraisal of a particular title. As a guide, generally titles are priced in the range £12 - £30 (\$24-\$60) + post and packaging.

N.B. We have recently been pleased to add some more French editions.
